Reorganisation of cash social assistance for poor residents 2012–2014

Assignment of the provision of cash social assistance to the independent municipal function (pilot project)

Decentralisation of financing (from the state budget to the municipal budget)

Municipal discretion is established

The mandatory rule is stipulated – municipal budgetary funds not used for cash social assistance shall be used to finance only specific measures (11) of social security (as from 2018).

The main purposes of the reorganisation of the system of cash social assistance for poor residents for 2012-2014

Increase of purposefulness and efficiency of assistance, i.e. provision of assistance to persons who are mostly in need of such assistance.

Increase of motivation of capable persons of working age to integrate in the labour market

Decrease of abuse of cash social assistance
