RSA

RSA is one kind of Dibaio, whose target is people without income. It is also one kind of supplementary revenue allocation.

target:

- Under 26 years old: Local teenager reception organization
- Above 28 years old : Adult reception organization

Employment integration

Time: six-month contract (can be extended for one time)

Employment: help 42 people find full time jobs

Employment platform is different according to the object's "employment possibility":

- People who find it hard to find jobs because their special conditions:

TREMPLIN : - career integration organizations funded by the state

- special work contract (part of the salary is paid by the state. Basic condition: The working hours per week should be 20 hours at least and the contract should last more than 6 months)

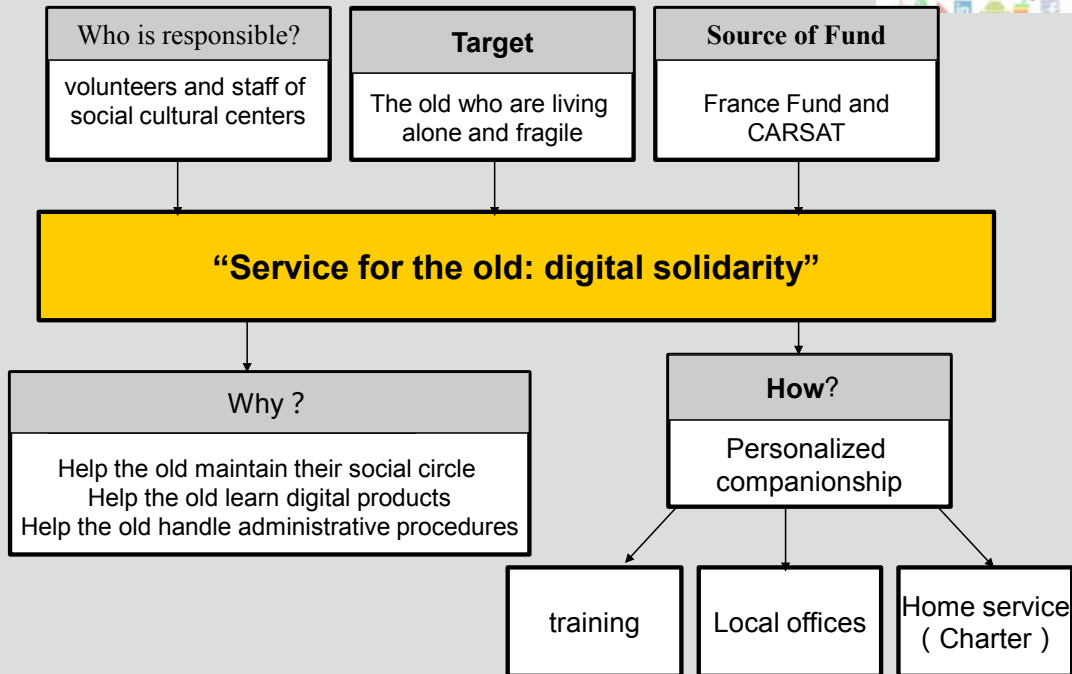

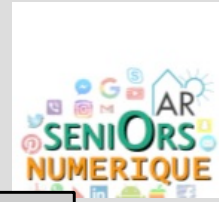

- People that are easier to find jobs:

- employment organizations of temporary workers
- enterprises

Employment companionship

- Help formulate an employment plan
- Write job-seeking materials: CV and motivation letter
- Contact enterprises with purpose
- Seek internship or training opportunities

“Service for the old: digital solidarity”

Teach the old how to use computers

Family trip (holiday or weekends)
